

AUGUST 2023 Jackson County Chamber Happenings

Our annual golf tourney was a successful event, with 28 foursomes competing for prizes and championship belt. We have been working diligently on updating our member database and communicating with members about benefits they may not be taking advantage of. We worked with the Town, Webster, Dillsboro and JCPRD on the upcoming Halloween offerings. The Chamber will have a member featured outside giving away some goodies to kiddos. We spent LOTS of time in Dillsboro during August, greeting GSMR riders and answering questions. We've provided financial assistance to Dillsboro for fall décor and will be assisting with installation to make the town look festive for the fall season and upcoming ColorFest. The Chamber partnered with WCU Athletics to provide discounted home football tickets for the first game in September, as well as some on-site volunteers. We have helped a number of new WCU students and their parents with plans for Parents weekend and Homecoming, and they have been delighted to find real people willing to assist them with all their questions and knowledgeable! It's always nice to be appreciated by these parents, who are often in a bit of distress when they are dropping their students at school. We picked up trash along one stretch of Skyland Drive in an effort to keep it from getting into Scotts Creek, but found the heat almost unbearable. We also are looking for volunteers to help with that particular area so if you are interested – we can set you up! Cleaning Up the Mountains is in September!
